

Notification of Fee Changes

Telmex USA Business Services

For invoices issued on or after January 1, 2012, certain charges for interstate and international services will change as follows:

The rate increase impacts the following miscellaneous fees for all services:

Cost Recovery Fee is being increased from 3.1% to 3.9%.

Property Tax Fee is being increased from 2.3% to 3.0%.

Please also note that the Universal Service Fee which is set by the United States Federal Communications Commission (FCC) each quarter. The current rate established by the FCC is 15.3%. The FCC has set the rate for first quarter 2012 at 17.9%. The rate that Telmex USA charges for the Universal Service Fee always matches the rate established each quarter by the FCC.
